

Under the *Freedom of Information and Protection of Privacy Act*, it is necessary for Strathcona County staff to obtain consent to use video footage taken during the Home Visitation Program sessions for the purposes of training staff to continually improve our services to you.

**Collection and use**

The videos taken on this occasion will be used to provide feedback to the staff. It will be used only as a training tool.

Consent is required from all individuals who would appear in the video. If consent is not provided training videos will not be taken.

The information will be destroyed following completion of the intended use or 60 days from the date of taping, whichever is shorter.
